

Attendance Policy - Our number one priority is to help you improve your condition quickly and effectively. With the exception of a serious emergency, it is expected that you keep all prescribed appointments so that we may service you to the highest level, and ensure that you do not lose any progress in your rehabilitation program. If you need to reschedule an appointment, we require 12 hours' notice since this appointment time has been specifically reserved for you. In such a case, please call our office and reschedule your appointment with our front desk staff. Every attempt should be made to make up the appointment, preferably within the same week to help you achieve the best results from your treatment plan and prevent any setbacks in your progress. *In the instance of a cancellation without 12 hours' notice or no-show to a scheduled appointment, we reserve the right to charge you a \$25 fee.*

Insurance Referrals – If your insurance plan requires a referral from your Primary Care Physician (PCP), our staff will request one from your PCP on your behalf prior to starting treatments as a courtesy. Ultimately, it is your responsibility to obtain that insurance required referral from your PCP in order to receive benefits coverage for Outpatient Physical Therapy Services under your plan. If your insurance company denies payment of your visit due to the fact that an appropriate and valid referral was not on file at time of service, we do reserve the right to bill you for that date of service at our self-pay discount rates as follows: PT Evaluation: \$150 PT Follow Up: \$75

Financial Policy - We verify insurance benefits as a courtesy to you, however, it is your responsibility as the member to be aware of your coverage, plan limitations, and coordination of benefits. A quote of benefits is not a guarantee of payment and coverage is subject to change upon claims processing. You are responsible for paying all deductibles/coinsurance/copayments under your insurance plan(s) for all services provided to you at the time of service. This is a legal requirement when receiving healthcare services and failure to meet your obligations is a violation of the agreement with your insurance carrier and federal law. Your insurance carrier may also take additional action. In the event that no insurance benefits pay for your services, you are responsible for payment and will be billed at our self-pay discount rates as stated above. In the event of non-payment, Elite Physical Therapy, Inc. will turn the account over to a collection agency which may result in additional fees accumulating on the balance. In the event of insufficient funds or returned checks we reserve the right to charge you the bank penalty fee plus a \$15 handling fee.

Card on File – It is our policy to place a credit card on file for payment of any and all balances and fees associated with services rendered after claims processing with the insurance company you provide to us. This information will be retained in electronic format under the HIPAA secure merchant portal of Authorize.net and is not retained on paper for privacy purposes. You hereby authorize Elite Physical Therapy, Inc. to charge your credit card on file for patient balances on your account within but not limited to 30 days of claims decision by applicable insurance carrier. This credit card will be kept on file and will remain in effect until the expiration of the credit card account. You may revoke this credit card on file by submitting a written request to the office and alternate payment for all balances due on the account. A new form must be submitted if any information such as credit card expirations or authorized users is amended. Visa, MasterCard, Discover, HSA, and Flex Spending cards accepted.
